IDES, or International Disaster Emergency Services, is a mission that we have supported here at WCC for many years. Started by Milton Bates in 1972 after watching a news story about the poor in Bangladesh, his vision of simply helping those who are hurting from disasters slowly grew into what we know today as IDES. You would never guess by looking at the small building in Kempton, Indiana, that these faithful servants of the Lord helped to distribute over 3.8 million dollars to the poor and suffering in 2008 alone! Their efforts are focused in five main areas of need: disaster, hunger, medical, development, and evangelism.

Please circle your calendar for next Sunday, February 14th, because during Sunday school time that Sunday we will be hosting Gary Finley, Director of Development for IDES, and he is going to give a presentation showing what IDES has been doing lately. Come get an update on how IDES is helping with the recent earthquake tragedy in Haiti as well as how they are showing Christ's love in other areas of the world. We are looking forward to Gary's visit and hope you are too – please come join us in the sanctuary during Sunday school time on February 14th to see some of the many ways your offering helps those around the globe through IDES.

DOMINGO meets every Sunday evening at 6pm in the youth room.

Visiting Residents at WCV: WCV is in need of some volunteers who would provide one-to-one visits for several of our residents. If you have several hours that you would be willing to volunteer, it would be much appreciated. The hours are flexible, anytime between 7 am and 8 pm. These one-to-one visits will brighten the lives of the residents and will be a blessing to you. If interested or have questions, please call Jim Gorby at 886-2512.

Lego Table for Nursery School: The Nursery School is in need of a Lego Table. We need a table large enough that 2-4 children could play at one time but small enough to store away easily. Would be nice if it had storage for our Lego pieces too. If you have a table you are looking to get rid of, or would be willing to make a table for us, please talk to Natalie Carr (241-5681) or see Ginny Browning or Joyce Schupp.
